

Students 2 Science exists because of generous donations from numerous corporations, corporate foundations, private foundations, and philanthropic individuals who recognize the value of our program. We believe this is a private sector problem and we do not solicit funding from government organizations.

We work hard to operate efficiently. We rely on a volunteer staff and on donations of laboratory instruments and service, laboratory supplies, furniture, as well as legal and accounting services. We welcome all support.

**Corporate Sponsorship Opportunities**

Name a Technology Center..... \$500,000

Co-Sponsor a Technology Center..... \$250,000

Sponsor the Virtual Laboratory Program..... \$250,000

Support a school's participation in the ISAAC Middle School Program..... \$ 25,000

Support a school's participation in the ISAAC High School Program..... \$ 10,000

Support the V-Lab Program in your Community..... \$ 5,000 - \$ 25,000

### **Your support for the ISAAC Programs covers the cost of:**

- Attendance
- Pre- and post- program assessments
- Student Bussing
- Lesson plans for teachers
- Compensation for substitute teachers

### **Your support for the Virtual Laboratory Programs covers the cost of:**

- School & Volunteer Recruitment
- Teacher and Volunteer Training
- Pre- program IT assessment
- Science Kits
- Post- program assessments

### **Corporate Benefits**

- Highly visible community support
- Provide highly visible volunteer opportunities for corporate employees
- Arrange for media coverage during visits
- Provide promotional materials to students
- Display company signage in the Students 2 Science Technology Centers
- Receive company recognition on social media including Facebook, LinkedIn, Twitter and others

### **Foundation Grants**

- Foundation Grants are vital in meeting our multifaceted program needs. Grants in multiples of \$5,000 are used to fund specialty capital campaigns, sponsor middle and high school classes, as well as individual attendance fees.

We are limited only by funding.

Will you share our goal of 30,000 New Jersey students participating each year by 2018?

**All Major Credit cards Accepted**

**Prefer Paper?**
